Tumbling Toddlers

Term 2 April 13 - June 26th

Hey mum's and dad's, want to burn off some of the abundance of energy your toddler/s have, bring them along to a fun filled structured program. This program is suitable for children from walking age through to school age. With so many Toddlers the class has been split into a younger and older group.

GRETA VALLEY LANDCARE GROUP NEWS

The Greta Valley Landcare Annual General Meeting will be held on **Thursday April 30th @ 7pm** at the Greta Hansonville Hall. Special guest Cathy McGowan MP will attend and speak to the meeting on how people can insist on and participate in good government processes to achieve real outcomes for regional communities.

An exciting development for Greta Valley Landcare is the appointment of Sally Day as Project Administration Officer. Based in Oxley, Sally is very involved locally as a volunteer in several organisations. Sally is an engineer/scientist with over 15 years' experience in the waterway management industry, and has worked on many of the waterways in the North East. Sally's extensive experience in working with communities, and landholders will ensure that she will be able to assist Landcare members to access financial support and advice on undertaking works on their properties.

Information on the Greta Valley Landcare Group and future events can be found at <http://northeast.landcarevic.net.au/greta-valley> or contact;
