Greta West Roll Of Honour

Recently we have located two references to another Greta district Roll of Honour, this time at the Greta West State School. Interestingly, this was first established in late 1915, not long after a significant number of local recruits had been farewelled for service.

The Wangaratta Chronicle, Saturday 13 November 1915, P.3, writes...

'The Roll of Honor, which has been subscribed for freely by local people will, it is hoped, be ready by the 19th, the occasion of the pupils' patriotic concert and lantern entertainment on behalf of the Education Department's Patriotic Fund for Wounded Soldiers. The head teacher (Miss E. M. Hall) would be obliged if names of all old scholars of No. 2573, who have volunteered would be forwarded to her.'

Shortly after, the *Ovens and Murray Advertiser*, Wednesday 1 December 1915, P. 3, described the evening's highlight as follows...

'A feature of the evening was the reading of the Roll of Honor by the head teacher of the school and this evidence of the fine response of district young men to the call of Empire was greeted with cheers.'

Does anybody remember this Roll of Honour? Was it a wooden item or more like an illuminated address? Did it hang permanently in the school? What names might have been on it? And of course, what happened to the roll? If you can throw any light on any of these questions or have any photos that show even a part of the roll, we would love to hear from you.

UNWANTED BEES REMOVED

If there's bees uncomfortably close to your home and you're not sure what to do, call me.

Right now is the perfect time of year to capture and collect bees so I'm on the lookout for any locals who are aware of opportunities. In the process hopefully I'll be doing you a big favour too.

As we all know, if provoked bees can be very dangerous so I'm offering my services to anyone who believe I can be of assistance to them.

If interested please call me and feel free to leave a message if I'm out.

GRETA VALLEY LANDCARE GROUP - LOGO COMPETITION

What does Landcare in the Greta Valley mean to you? Our clean waterways, profitable and resilient farms, a network of remnant forest linked through revegetated areas from one end of the valley to the other, a particular bird, animal or bunyip or is it the community, the people who live and work here?

Whatever it is, why don't you try and capture that thought in a simple and clear image that can be adopted as the logo for Greta Valley Landcare? The winner will receive a gift voucher for Park Lane Nursery to the value of \$250.

Entries must be received by October 25 and should be posted to;
The Secretary, Greta Valley Landcare, PO Box 971, Wangaratta, 3676 or email to the group address below.

Don't forget ... Greta Landcare members can access our \$250 rebate for native plants in a stock free area and equipment for hire at very reasonable rates.
